Experience

Senior UI/UX Designer
Razu | New York, United States
January 2023 – Present

- Lead the design of intuitive user interfaces and user experiences for web and mobile applications.
- Collaborate with cross-functional teams to define user needs and create wireframes, prototypes, and final designs.
- Conduct user research and usability testing to inform design decisions, improving user engagement.

Senior Web3 Product Designer
Verileum | United States/Nigeria
December 2021 – December 2022

- Spearheaded the design of Web3 applications, creating innovative interfaces that enhance user experience in blockchain environments.
- Worked closely with developers and stakeholders to iterate on designs based on user feedback and evolving technology trends.

Product Designer
All Forty | Mesa, Arizona, United States
October 2020 – December 2021

- Designed and refined user interfaces for various digital platforms, contributing to projects from initial concept through to final delivery.
- Employed usability testing and feedback loops to enhance user satisfaction and product effectiveness.

UI/UX Designer
Infusync Healthcare Limited | Victoria Island, Lagos, Nigeria
March 2020 – October 2020

- Developed user interfaces for healthcare applications, ensuring accessibility and ease of use for diverse user groups.
- Conducted user research to understand the needs of patients and healthcare providers, resulting in more effective product designs.

UI/UX Designer
Cashcowapp | Ikeja, Lagos, Nigeria
September 2019 – March 2020

- Created wireframes, prototypes, and final designs for financial applications, focusing on enhancing the user journey and overall experience.
- Collaborated with the development team to ensure seamless implementation of design elements.

Product Designer
Merignos | Adeniyi Jones, Lagos, Nigeria
January 2019 – September 2019

- Delivered end-to-end design solutions for digital products, from initial ideation to final implementation.
- Participated in design reviews and iterations, ensuring high standards of quality and usability.

UI/UX Intern
Phosmobile | Egbeda, Lagos, Nigeria
October 2018 – December 2018

- Assisted in the design and testing of user interfaces, gaining hands-on experience in the field of UI/UX design.
- Supported senior designers in research and prototyping

activities, contributing to live projects.
